**Curling in the Olympics-** Curling made its first appearance on the Olympic program as a medal sport in 1924 in Chamonix, France. The game returned in 1998 at the Nagano Games. The 1924 games saw teams from Great Britain, Sweden and France. Great Britain (Scotland) won the gold medal in 18 end games. Yes – I said 18 ends!

Curling was a demonstration sport five times: in Lake Placid in 1932, in Garmisch-Partenkirchen in 1936, in Innsbruck in 1964, in Calgary in 1988 and in Albertville in 1992. Since its re-introduction in 1998, curling has been made up of one women's and one men's tournament.

At the 1932 Winter Olympics the venue was the Olympic Indoor Arena in Lake Placid, New York. Eight teams from two countries (4 American teams and 4 Canadian Teams) competed in this event. Only men's curling was contested at these Olympics. The matches were held on February 4 and 5, 1932. Each of the Canadian teams played against each of the American teams – only 16 ends this time.

One of the American teams was from The Detroit Curling Club. They represented Michigan. Unfortunately, they lost all four games against: Ontario, Manitoba, Quebec and Northern Ontario.

### **Pro-Shop Business**

**Used Curling Equipment** – Used product in the Pro Shop is available from time to time. If you are a new curler and want to save some bucks on equipment or apparel, stop by and ask what is available. Items change so, stop by often to see what is new (I mean old). Long standing members, bring in your unused curling equipment. Donate your unused stuff to the club and give a new curler a chance to get better equipped. The program helps the club by reducing the usage of rental equipment by new members and gets new members going in the direction of improving their equipment by once they are certain to remain club members. Your contributions help keep our membership strong. Thank You.
